Unit 1:

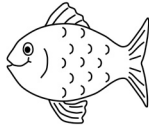

Consonant Digraphs  
Picture Chart

sh-

ship

-sh

fish

th-

thumb

-th

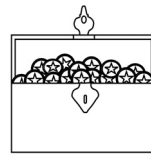

moth

ch-

chick

-ch

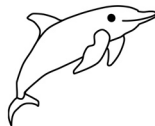

rich

-ck

sock

ph-

dolphin

-ng

ring

qu-

queen

wh-

wheel

When these two sounds are joined they make a new single sound, called a digraph.

# sh- as in ship

List 1						List 2					
sh-						sh-					
ship						shot					
shin						shop					
shift						shod					
shank						shut					
shall						shun					
shack						shunt					
shad						shap					
shed						shif					
shell						shuf					
shock						shoz					
I wish I had fish in the pond.											
Get the ten shells on the sand.											
Timed reading						Timed reading					

# -sh as in fish

# -th- as in moth and thumb

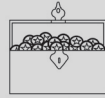

List 5						List 6					
-th						th-					
moth						thin					
moths						think					
cloth						thing					
cloths						theft					
froth						thank					
pith						thanks					
with						thong					
sixth						thump					
ninth (9th)						thud					
tenth						thumb (thum)					
The thin moth sat on the hot lamp.											
Tom fell on the cloth in the thick mud.											
Timed reading						Timed reading					
<p>The -th- is a soft sound in these words, do not use your voice. Just push air through your mouth as you say it. Hold a piece of paper in front of your mouth as you say the sound and watch it move. Look in a mirror as you say the sound.</p>
